Open June 15

CONSULT were appointed to deliver this flag ship cinema project in the heart of Abu Dhabi. The shell presented many challenges since the space was constructed primarily as a retail shell and hence headroom clearances for essential MEP services have been extremely challenging to ensure a first class customer experience

Nation Towers - Floor Plan

CONSULT have been appointed by MAFV, to design and supervise the entire fit-out of an 11 screen Boutique Cinema located off the Corniche in Abu Dhabi, close to Emirates Palace.

CONSULT have vast experience with International Cinema roll out programmes and portfolios having worked with a number of market leaders.

Once again CONSULT are delighted to be working with VOX, on their state of the art Cinema in Abu Dhabi.

CONSULT are responsible for all Permitting as Lead Consultant and Structural, MEPF and Fire Engineering.
