

VOX CINEMAS, THE AVENUES BAHRAIN

FC CONSULT were appointed as Lead/Turnkey Consultant for this prestigious project located at The Avenues Mall, Bahrain in October 2016. The project was a Joint venture and as such we have stringent cost parameters to adhere to and the delivery dates were agreed from the outset.

FC CONSULT were delighted with Havelock, the Contractor in performing the works, that were on ahead of programme and within Budget.

This was our first project within the Kingdom of Bahrain, and we went on to deliver the Magic Planet for Majid Al Futtaim Ventures post completion.

The fast track project was delivered in 24 weeks and comprised of 12 Screens.

It included the Theatre by Rhodes, Dine in experience, along with Standard, Max and Kids Screens.

This takes FC CONSULT into their twentieth project successfully completed for Majid Al Futtaim Cinema in less than five years of collaboration.
