

THE ROXY CINEMA, CITY WALK DUBAI, UAE

FC CONSULT were delighted to have been appointed in 2016 as Lead Consultant, to provide a complete Turnkey, our services included Architect of Record, Structural Engineering, Building Services Engineering, Acoustics and FLS for all alterations and modification works to the Reel Cinema, City Walk. This has included the handling of all Municipality Approvals and Design work for the alterations. This project follows on from FC CONSULT designing and delivering Meraas's inaugural Turnkey Boutique Cinema at the Box Park, The Roxy.

MERAAS Leisure & Entertainment is a subsidiary of MERAAS Holdings, which is a company owned by Sheikh Mohammed bin Rashid Al Maktoum, the crown prince and ruler of Dubai. With the change in operator, the new management wish to impose some of their own operational requirements into the Cinema.

Since working on this project, FC CONSULT have provided some further concept design work for a number of other Boutique Cinemas for MERAAS which have yet to commence including La Mer.
