

We were employed by Village Roadshow Limited Australia, to complete their fit-out obligations of a landlords "hot shell". The cinema had been "moth balled" for 4+ years.

We engaged specialist fit-out contractors and specialist vendors to complete the obligations delivering an operating cinema that was by completion branded, managed and operated by VUE Entertainment.

Vue Lancaster Cinemas, UK & Associated Refurbishments

August 2007

We liaised with external interior design consultants, fit-out contractors internal procurement departments and local on site management teams providing weekly briefings and progress reports to senior management.
